Re.: **RECOMMENDATION LETTER**

To whom it may concern,

I, **Alexandre Palermo Simões**, a Brazilian lawyer, Mediator and Arbitrator based in Sao Paulo, Brazil and with more than 30 years of experience of legal services within my country and also abroad in several cross-border's cases, and professor of Negotiation Techniques, Strategies and Communication, do recommend Dr. **Dima Alexandrova**, from Sofia, Bulgaria, whom I have known for more than four (4) years ago in Vienna, Austria, and with whom I have had the privilege of working professionally in some occasions, as a mediator of excellent level, qualified in both mediation and negotiation, and who is very assertive, empathetic, trustworthy, serious, very well prepared, with a strong problem-solving approach and of an irreproachable ethical behavior.

Dr. Dima also did a wonderful job in London, England, in the ADR field that I could testify.

She is one name to be always considered, if you are thinking in hiring a great Business Mediator.

No doubt about it.

Very truly yours,

Alexandre Palermo Simões
